Brethren,

As you can tell by the weather, we are heading into the final months of 2021. October is 'usually' a time for a little cooler weather and being able to prepare for fall activities (Holidays). We are fortunate at the present time, to have several newer members progressing in the Three Degrees, our latest being B.: Ryan Burrows for the Enter Apprentice Degree, Monday evening the 27th. We welcome B.: Burrows to the Fraternity.

It was enjoyable having R.: W.: James Charrette attend the E. A. Degree, emphasizing the importance of performing the Degree to the best of our ability. First impressions for new candidates are always important. Scheduling our time around the holidays can be difficult but.... we are all rewarded with a great sense of accomplishment, practicing for and performing the various Degrees. Well-presented Degrees impress upon the candidate the proud history of Masonry and shared Brotherhood. At this time, please keep Wilma Rink

(B.: Rink passed away Sept.12th), and family in your prayers. Services are being planned at this time and will be announced. So too, we want to remember our Brothers unable to attend our meetings, who are still under a lot of stress and pressure dealing with the effects of the Covid disease that appears to be lingering. **Continued page 3**

FROM THE WEST

My Brothers,
 Our roofer has been delayed with all of the recent rain activities. The re-roofing of the Lodge is now scheduled for the week of October 11th. We can only hope October brings a period of better weather so we can get this behind us. B.: Tillinghast has taken the lead on the Lodge Raffle , flyer attached). This is the first of several planned activities to help us rebuild our reserves. We need your participation to make this a success, should you know of anyone interested in participating or need further information please contact B.: Tillinghast for tickets. In-fo.northside283@gmail.com.

See you in Lodge.

Fraternally,
 John Gunter, PM
 Senior Warden
